

Tuesday 27th May 2025

Dear Parents/Carers,

Dental service available

We have recently been contacted by The Dental Wellness Centre with the message below:

I am writing on behalf of The Dental Wellness Centre to share some great news for your school community. We are pleased to let you know that we now have additional NHS capacity available at our practice, and we would like to offer free dental examinations to all children in your school.

To register, patients will need to complete the following online form:

https://forms.office.com/pages/responsepage.aspx?id=8XL0xACZRUmreA41C9Lb1GqKxWSNJNlo_rkapEE71IUN0hSWDIVOTRFRVNSRzhXRUVFWkdXQIIVRS4u

*Once all details have been submitted, we will be contacting patients **via email** to book an appointment using our **online service**.*

*Please note that patients must **wait for this email** and **not contact the practice directly** regarding appointments.*

At Beaumont Lodge Primary School, as part of the curriculum we speak to our pupils about the importance of looking after their teeth. We are all aware of the importance of regular dental check-ups and the shortage of dentists available. Therefore, we encourage parents to take advantage of this free NHS service. Thank you for your time and support in helping us promote good oral health from an early age.

Kind regards,

Mrs Solla
Headteacher
