

Monday 3rd March 2025

Dear Parents / Carers,

Beaumont Lodge Pupil Passports

This week, Beaumont Lodge Primary School will be launching 'Pupil Passports'. These are checklists of exciting and enjoyable activities to help children to broaden their interests. Having a wide range of interests and experiences will give a sense of personal achievement and can also improve academic outcomes. Your children may find something they want to come back to again and again, and we hope that, whatever they do, they will enjoy them.

Each year group has its own list of twenty-four activities, which works out at about 8 per term. They can be done in any order. The majority of these activities will cost little or nothing to complete. Though many of the activities will be delivered at school, families can still work through these activities at home too! Details of activities will have been shared in the recent parent workshops.

At the end of the year, we will award bronze, silver or gold certificates according to the number of activities each child has completed.

More information can be found on the school website here:

Thanks in advance for your help and support.

Kind regards,

D Solla

Head Teacher
