

Dear Parents/ Carers,

Parent Governor

We are very pleased to announce that there have been three applications for the position of parent governor. The candidates have submitted personal statements which can be read below:

<p>Candidate 1 Hayley Mansfield</p>	<p>I am interested in being a school parent governor at Beaumont Lodge Primary. My daughter attends the school and I am extremely happy with the progress she is making. I currently work as a LSA at a secondary school in Braunstone and over the past 3 years I have seen the lack of information passed between schools during transition. I feel it is important information that will enable to children to get the best start at secondary school. I always go above and beyond to ensure the students I work with get the right help and support they need. I feel I will be able to bring some insight to the Governors from a secondary school vision.</p>	
<p>Candidate 2 Yvonne Young</p>	<p>I am interested in the Governors role as I believe it will allow me to aid and support the school and their vision, as well as help in developing rapport in the wider community. On a personal level, there are also some valuable professional skills to gain from the role such as networking with the governing body and learning how the school system works.</p>	
<p>Candidate 3 Bhagyashee Rasiklal</p>	<p>I would like to be a governor at Beaumont Lodge School because I really care about our school and want to help make it the best it can be. I like listening to other people's ideas and working together to solve problems. Being a governor would let me share my thoughts and help make our school a happy and safe place where everyone can learn and feel part and be proud. I also want to be involved in learning new skills that help me move with the times. The world is changing quickly and I would be someone who could make a difference. Most of all, I want to help make the world a better place for children to grow up in. If I became a school governor, I will do my best to listen, learn and help make our school and community a kind, exciting and inspiring place for everyone.</p>
