## Goodbye & Good Luck

We would like to share that Mr Sperry, our dedicated Year 4 teacher, will be retiring in April. Mr Sperry has been a valued member of our school community and his commitment, kindness and passion for teaching have made a lasting impact on pupils and staff alike. We wish Mr. Sperry all the very best for a happy and fulfilling retirement.

We would also like to let you know that Mrs Govind (Year 5 TA), will be leaving us soon to spend more time with her family as she prepares for the exciting arrival of her first grandchild. We will miss her greatly, but we are delighted for her as she begins this joyful new chapter.

## Chicks at Beaumont Lodge Primary School

This term, we were delighted to welcome a very special delivery to our school—our own hatching chicks! This exciting experience gave our pupils the chance to see first-hand how chicks hatch and begin to grow during their first few days of life. Several chicks started to hatch within a day of arriving! ## World Book Day

This year, World Book Day 2026 was celebrated on Thursday 5th March 2026. Our school decided to put a spotlight on Roald Dahl – a British author celebrated for his imaginative and magical stories for children. Pupils were invited to come to school on the day dressed in a costume linked to one of Roald Dahl's books. It was fantastic to see so many fantastic costumes! Thank you to our families for all their efforts! In the afternoon, parents were welcomed into school for a Biscuit and Book session. It was lovely to see so many of our parents enjoying a storybook with their children. To see photos from the day, click [here](#).

## Mayan Visitor

Year 4 were very lucky to take part in a Mayan experience day. The children sketched Mayan artefacts, tasted chocolate similar to that made by the Mayans and enacted the Mayan creation story. At the end of the day, many pupils had the chance to meet the Mayan visitor and have their picture taken with him!

## Chick names competition

There were some fantastic suggestions for names for the chicks. Congratulations to the winners who all received Easter eggs as prizes. The winning names were: Sunshine, Neelam, Custard, Bubbles, Egg Sheeran, Buttercup and Fluffy.

This year, Year 6 pupils led the Comic Relief event at Beaumont Lodge Primary School. They designed fun activities that they delivered across the school. The activities included a penalty shoot-out, a red nose design competition, a dance session, cup challenge and a bookmark and bracelet making workshop.

The Year 6 pupils did a fantastic job of organising and managing the event! The pupils across the school were very excited about the activities on offer and really enjoyed taking part! To see photos of the event, [click here](#).

Note: some children's attendance will fall between these percentages.

Well done

I'm worried

A poor attendance gives you less chance of success

I'm concerned

Very poor attendance has a serious impact and reduces life chances
