Goodbye & Good Luck

On Friday, we will be saying goodbye to Miss Kings, our Year 2 teacher, as she moves on to an exciting new position at another school.

We will also be saying a fond farewell to Mrs Dawson, our much-valued Nursery Nurse, as she begins her retirement.

Both Miss Kings and Mrs Dawson have been caring and dedicated members of our school community, supporting and nurturing countless children over the years. They will be greatly missed by staff, pupils and families alike. We would like to thank both for all their hard work and commitment.

We hope Mrs Dawson enjoys the opportunity to relax, spend time with family and friends and make the most of her well-deserved free time. Best wishes, Mrs Dawson!

We wish Miss Kings every success and happiness in her new role. Good luck, Miss Kings – we know you will be fantastic!

Farewell to Mrs Solla

This week, Mrs Solla will leave Beaumont Lodge. She has been a huge part of our school family for the last 19 years. Throughout those 19 years, thousands of children have walked through our school gates. Every one of them has been touched in some way by her kindness, care, leadership and belief in children. Being a Headteacher is much more than having an office or leading assemblies. A Headteacher helps create the heart of a school.

They make decisions when things are difficult. They celebrate successes. They support staff. They listen to families. Most importantly, they help children to grow, learn and believe in themselves. Our Headteacher has done all of those things and much, much more. So, on behalf of every child, every member of staff, every family, and everyone whose life you have touched during your time here, Thank you – Mrs Kazi

World Music Day

To celebrate World Music Day, pupils and staff enjoyed a fantastic day of music, learning and creativity. Everyone was invited to dress up as a famous musician and we were amazed by the variety and quality of the costumes on display. From pop stars and rock legends to classical composers, there were some brilliant outfits throughout the school.

As part of the day, pupils also explored 20th Century music, learning about influential musicians, different musical genres and how music has changed over time. It was a fun and engaging way to develop their musical knowledge and appreciation.

A huge thank you to all pupils, families and staff for the effort that went into making the day such a success. The costumes were fantastic, and we greatly appreciate the enthusiasm and creativity shown by everyone involved.

Welcome!

We are pleased to announce that we have new members joining our staff team. Miss James will be joining us as the Year 2 teacher. Mrs Patel will be joining us as Year 6 teacher and senior leader.

The Samworth Brothers kindly spent 2 days at school in the Summer term to transform a room into the Solla Sanctuary.

They filled, sanded and painted on the hottest days of the year to create this beautiful space for our pupils and staff. The room will be used in the new academic year to support all with their wellbeing.

BLPS garden

Recently, The Beaumont Shopping Centre came into our school and made the Eco-committee's dreams come true with a beautiful garden! The school was so grateful for the resources, man power and time they donated that we contacted the BBC! Coverage of the transformation can be found [here](#).
