

Safeguarding spotlight: As part of our ongoing safeguarding work, pupils will be taking part in e-safety training this week to help them stay safe and responsible when using technology and the internet.

As I write my first newsletter as Headteacher, I would like to take a moment to say how honoured and proud I feel to have been given the opportunity to lead Beaumont Lodge. Having spent the last 20 years here, including serving as Deputy Headteacher, I know first-hand what a special school this is. Throughout those years, I have seen the dedication, talent and care that our staff bring each day and I feel incredibly privileged to work alongside such a hardworking and committed team.

I am equally grateful for the opportunity to continue strengthening the partnership between school and home. I firmly believe that when staff and families work together with a shared purpose, we create the very best conditions for our children to thrive both academically and personally. Above all, I feel privileged to be in a position where I can make a positive difference to the lives of our pupils. Their happiness, wellbeing and success will always be at the heart of everything we do. I am excited about the journey ahead and look forward to working with our wonderful staff, families and pupils as we continue to build on the many strengths that make Beaumont Lodge such a special community.

(Mrs Kazi)

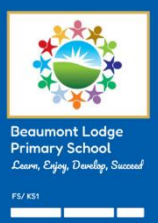

The school is looking absolutely lovely at the moment. Many of our summer projects have been completed, and I'm particularly proud of the Solla Sanctuary, which is now open and ready to welcome our pupils. This is a safe, calming space designed to support the mental health and wellbeing of our children – something we know is so important. Our school garden is also thriving beautifully. We have some impressively large pumpkins and an abundance of tomatoes coming through. We did lose our sweetcorn to the foxes, but we like to think we've at least done our bit to feed our local wildlife!

School environment

School diaries

Our pupils have also been thrilled to receive their new school diaries. The excitement has been genuine, and we've already seen them making excellent use of these tools to support their organisation and learning. Parents have given us positive feedback too, which is wonderful. I'd like to encourage all families to continue supporting your child in using their diary – it really does make a difference to their independence and ability to manage their learning.

I'm delighted to share some wonderful news about our Key Stage 2 SATs results, which were published over the summer. We are proud to report that Beaumont Lodge performed above the national expected standard, and we had many pupils achieving the higher GDS grade. This is a real testament to the hard work, dedication, and resilience of our pupils, the expertise of our teaching team, and the support of our families at home. Well done to everyone involved.

School performance

This week, we've introduced our new school values, which sit at the heart of everything we do here at Beaumont Lodge. Our values framework – LEARN, ENJOY, DEVELOP, SUCCEED – encompasses twelve specific behaviours that we're encouraging our pupils, staff, and parents to demonstrate every single day. What's been particularly pleasing is how our pupils have embraced these values from day one. They're talking about them, thinking about them, and most importantly, living them. It's been lovely to hear conversations around school where pupils reference the values when making choices or supporting one another.

We were recently visited by a parent who took time to look around our school and noticed our Values board. They made such a thoughtful suggestion – that families might benefit from having a copy of these values at home. This way, we can work collaboratively as a school community to reinforce and embed these behaviours across home and school. We thought it was a brilliant idea so your child will be coming home with a copy of the values. We're grateful to our parents for such constructive feedback. This kind of partnership is exactly what helps us create a cohesive community where our pupils can thrive.

School Values

This half term's focus is:

Family Learning

Throughout my time at Beaumont Lodge, I've come to understand just how vital our families are to our pupils' success and wellbeing. This recognition has driven me to work closely with Family Learning over the summer term to bring something special to our school community. I'm delighted to share that we've secured a series of sessions specifically for our families, right here at Beaumont Lodge. These sessions will be based on feedback from our parents, and I'm particularly excited about our first offering, which will focus on Mental Health & Wellbeing. This topic is so important to us all. Your participation in this session will help us build a stronger, more collaborative approach to nurturing our children's wellbeing. I do hope you'll be able to join us: **Wednesday 16th Sept, 9-11am, in the school hall.**

To make the session welcoming and relaxed, we'll have cake and refreshments available. It's a chance for us to connect, share ideas, and work together towards supporting the mental health and happiness of our pupils. I look forward to seeing you there.

SKILLS
FOR LIFE

Pupils have been reminded about the importance of good attendance in this week's assembly. All our pupils are aiming for 100% attendance! The latest attendance incentives have been shared with pupils and staff and we are pleased to announce there is a parent prize too!

Attendance

Other messages

Afterschool club

Afterschool club for this term commences on Tuesday 1st September 2026. Parents can book pupils onto club using Scopay. Refunds are not issued to staffing costs which have to be pre-arranged.

PE timetable

PE commences from Tuesday 1st September 2026. PE days for each class are outlined opposite. Pupils should arrive to school in their PE kits, with jewellery, particularly earrings removed.

Mondays	Tuesday	Wednesday	Thursday	Friday
Year 1 Year 2	Year 3 Year 4 Year 6 (Y5 Swimming)	Reception Nursery	Year 2 Reception Nursery Year 1	Year 3 Year 4 Year 5 Year 6

Nursery

Our nursery places are filling up quickly! Don't delay in signing up your child. For further information, see the school office.

FREE nursery places available for 3 year olds
Please contact the school office: 0116 236 6925

Term dates

We are awaiting the publication of the term dates for the next 3 years. Once this information has been received from the Local authority, we will share this with you.

What's on: Elevation Wrestling is back!

Elevation Breakthrough returns to Beaumont Lodge Primary School on Sunday 6th September. Doors open at 2:30pm and the event starts at 3:00pm. To purchase tickets, visit <https://www.elevationwrestling.co.uk/store>

Good luck to Mrs Cadle (lunchtime supervisor) who decided to begin her retirement. We hope she enjoys spending more time with her family and friends.

Finally, I'm delighted to welcome two new members to our teaching team this term: Miss James (Year 2 teacher) and Mrs Patel (Year 6 teacher and senior leader). Please do make them feel welcome as they settle into Beaumont Lodge and get to know our pupils and families.

Final words: Here's to a fantastic term ahead!

Mrs Kazi (Headteacher)
