Beaumont Lodge PRIMARY SCHOOL
LEARN | ENJOY | DEVELOP | SUCCEED

Newsletter 8 30.10.26

Safeguarding spotlight: As children spend more time online for learning, gaming and socialising, it is important that parents remain actively involved in their digital lives. Regularly talk with your child about the websites, apps and games they use and encourage them to tell a trusted adult if anything online makes them feel worried, upset or uncomfortable. A few simple steps can make a big difference.

Welcome back!

I hope you all had a good half term despite the weather. It has been wonderful to welcome the pupils back into school.

This week, we have shifted our focus onto the 3 values – **Kindness, Inclusivity and Respect** which all lead to our pupils being able to **Enjoy** being at school. Please continue to support our work on the values by discussing them with your children.

The pupils had their photos taken this week. The proofs will be sent out once they arrive so you can place any orders you may have.

Have a lovely weekend – and for those of you going trick of treating, stay safe.

(Mrs Kazi)

Pumpkin Patch Festival

We were delighted to host our first Autumn Pumpkin Patch Festival on Thursday 29th October. This event was a celebration of the changing seasons, nature and the wonderful creativity of our pupils. It also allowed our school to celebrate a fantastic achievement - our pupils have successfully grown our very own school pumpkins for the first time!

Our theme was Autumn, Nature, and Creativity.

We were so impressed with the pumpkins and the level of creativity amongst our pupils and families. It was fantastic to see so many creative designs, but the best part of the event was seeing our pupils' faces filled with excitement and pride! Harry (from Leicester City in the Community) chose the winning pumpkins and awarded the prizes!

Diwali falls on Sunday 8th November 2026

To coincide with this, Beaumont Lodge Primary School will be holding its first Indian Culture day. **On Friday 6th November**, in the afternoon, pupils will be allowed to take part in a range of activities including:

- Designing Rangoli patterns
- Making salt dough divas
- Bhangra dancing
- Have henna applied
- Take part in food tasting

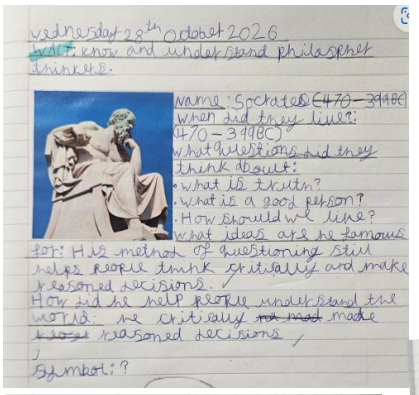

In order for your child to participate in henna and food tasting, please ensure you have given consent on this form here

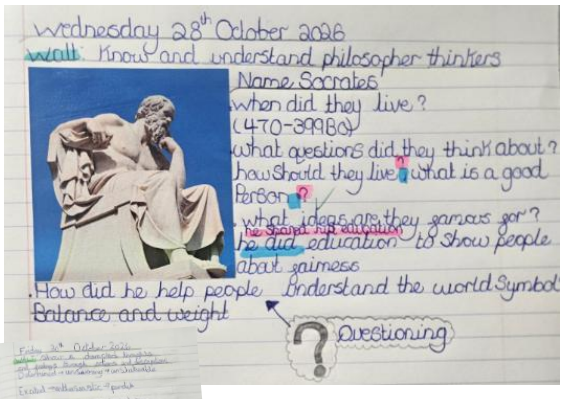

Pupils are invited to wear their traditional clothing on Friday. If your child has PE on Fridays, please ensure they bring a PE kit to school in their bags.

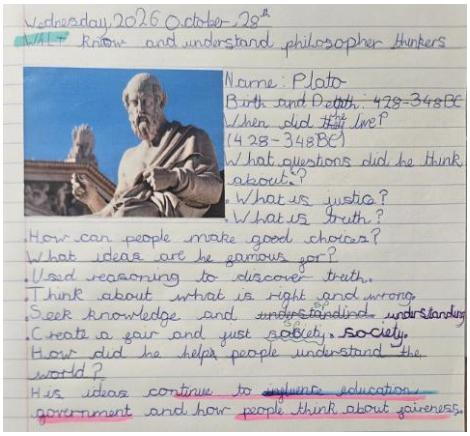

Diwali

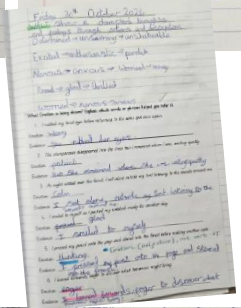

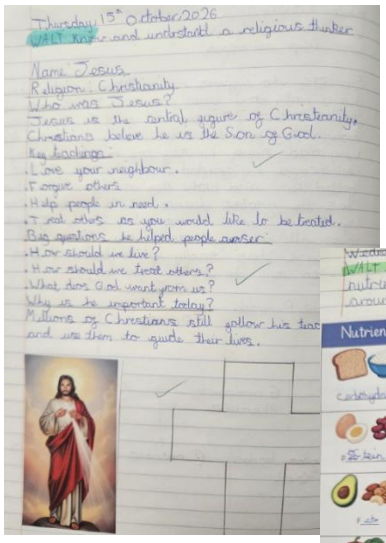

Spotlight on Year 6

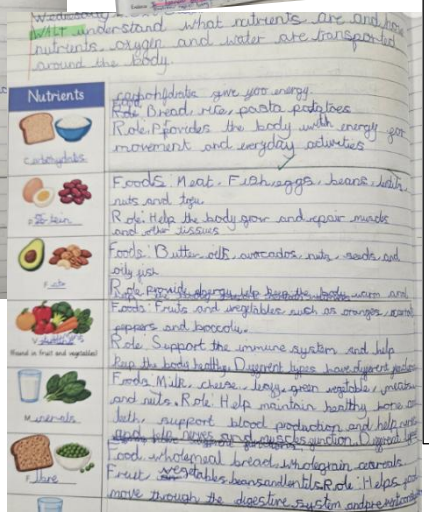

Take a peek at what Year 6 have been learning!

They have been busy in RE learning about philosophers and the ideas for which they are famous for. They also learnt about Jesus as a religious thinker.

In Science, pupils have been investigation what nutrients are – they have explored examples of these nutrients and what role they play for the human body.

It has been great to see some enthusiastic readers in Year 6! In reading lessons, the pupils have been exploring a character's thoughts and feelings by analysing their actions and considering how the author describes them.
